WEATHER OF CONCERN

NORTHERN CALIFORNIA

- Red Flag Warnings will remain in effect through Wednesday morning due to gusty winds and poor overnight recovery for humidity.
- A Heat Advisory has been issued for Wednesday from 1100 hours to 1900 hours for the Bay Area and along the coast, south toward Monterey.
- Hot temperatures are expected on Wednesday as high pressure builds across the region with afternoon highs anywhere from 10 to 20 degrees above normal.

SOUTHERN CALIFORNIA

- [Flash Flood Watch for portions of southeast California from Wednesday afternoon through Thursday afternoon.](#)
- Temperatures will warm significantly today as Santa Ana winds develop across the area.
- Potential for gusty offshore winds and near critical fire weather conditions Tuesday.
- A Santa Ana wind event will occur through Wednesday.
 - A potential for brief critical fire weather conditions on Tuesday when the strongest offshore winds and driest conditions are expected.

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2019-LAW-5628, 09/19/19, 1537 hours:** The San Joaquin County Sheriff's Office (SO), on behalf of CHP Stockton, is requesting the Sacramento County DART Team to assist in recovering a vehicle submerged for several days in the Delta. LDO contacted the Sacramento County Sheriff's Office who approved the request and is coordinating directly with CHP on the recovery. **UPDATE: 09/23/19:** Per Sacramento County SO, due to logistics issues this mission is postponed until this weekend at the earliest. Sacramento County SO will advise on the timing of the attempted recovery. This mission will be dropped from the morning report until that time. **MISSION ONGOING**

Cal OES MISSION TASKING

Cal OES Missions

- **2019-Inland-5287:** Plumas County, Air Quality Monitor due to the Walker Fire. **(On Scene)**

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
